Ashley Edlin is an accomplished senior-Level HR professional with more than 20 years of experience guiding business leaders and teams in every area of the HR Lifecycle. Her proven expertise in strategic talent acquisition, employee development & retention, and HR operations make her a multi-faceted partner in building cohesive HR models. In addition, Ashley's wide range of executive advisory experience makes her a trusted thought partner for leaders aiming to align themselves with large-scale critical initiatives.

Selected Past Projects and Experience:

- Created & led M&A Process for HR & Payroll successfully transitioning 55+ businesses into HRIS, benefits & safety programs.
- Assessed, transitioned, and implemented an applicant tracking system and created full life-cycle recruitment process.
- Built Human Resources & Talent Acquisition teams for a multi-location business while acquiring 15-20 companies per year.
- Led a team of HR & Recruiting professionals through multiple system implementations.
- Created employee handbooks, facilitation and creation of training programs for managers and team members.

Representative Client & Employer Profiles:

- \$1.4B Home Services company
- \$10.4B Specialty Pharmacy & Long-Term Care company
- \$1.7M Steel Processor and Distributor
